Easter Celebration!

“The Time Is...NOW!”

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.  
 In Christ, there are no strangers, only new and wonderful people to meet each day!  
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary  
 or fill out a pew card and drop it in the offering plate.  
 Our pastor would be glad to call you or pay you a personal visit.  
 Just let us know as you sign in...and take a Welcome Packet, too!  
 Come back often. We care! We are open for faith! Affirming and open to all!*

***Helpful Worship Information***

***We're Glad You've Come.***

*This is a safe place, a sanctuary of worship and prayer,  
 comfort and justice-seeking for all God's people and all  
 are welcome here  
 ....just as you are.*

***Our church is a safe sanctuary for children..***

*We are proactive to protect our children with trained  
 staff, enlightened volunteers,  
 and aware congregants.*

*No concealed weapons of any type are allowed on  
 Tippecanoe Church premises.*

***Our children are invited  
 to remain in worship with us.  
 We ask children be accompanied  
 by an adult at all times throughout  
 our morning together!***

*During worship, children are welcome to use a book,  
 stuffed animal, or crayons and papers from the bottom  
 shelf of the cart at the back of the sanctuary. We want  
 the sanctuary to be home to them.*

***When your child (1<sup>st</sup> grade and under) is restless,  
 when you are, when those around you are...***  
*you're/we're probably asking too much of everyone.  
 Please let your child be in the nursery at times like this.  
 Please return borrowed "goodies" to the cart after  
 worship.*

***Infant through 1<sup>st</sup> Grade Care***

*is available all during worship down the stairs to the  
 right to the "nursery."*

***In the order of worship***, please note... the \* indicates  
 times to stand as you are able.

***Today in Worship***

*We open our hearts and minds to the texts,  
 confronting the radical nature of God's wisdom.*

***"The Time Is...NOW!"***

***It's Easter!***

*We celebrate the dynamic nature of God's love  
 for us and God's action in the world.  
 Jesus lives! Integrity lives! We live!*

*The gift of God's love to the world is universal  
 and everlasting. We are made able to continue  
 Jesus' call to justice, peace, and compassion...*

*all the time, any time, time after time...  
 and deeply we know:*

***The Time Is...NOW!***

*Thanks for being here today!  
 In deepest gratitude, we give God thanks  
 for your presence with us in worship!*

***WARNING....***

*If you take the Bible literally you may be disappointed  
 here. We hope not, but we think you should know that  
 we don't take all of scripture literally....  
 any more than Jesus did,  
 but we DO take it all seriously.*

*As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.*

*As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo invitation to center yourself.*

*God rejoices in your coming and meets you this morning in special ways that are meant just for you.*

## ✧Opening Ourselves To God's Grace

## ✧Sharing Our Inner Most Lives With God

Lord, just like the women present that first Easter morning, I have come a long way. And yet I have really just begun.

I *am* beginning to notice what is going on around me with new Easter eyes. Yes! I have been pulled out of time. I can take time to show up differently in my life and see my life more clearly!

So, Lord God, help me let go of what I was and be newly who I am! Within each day, may I experience Easter for:

~I *am* more optimistic about the way things are going.

~I *don't* need to worry as I'm now freed to wonder instead.

~I *know* I have what it takes to be a compassionate, loving, new human being...and it has *nothing* to do with my education, income, ethnicity, job, or family.

~I *can* change the way things are, using the power I do *have*...the power of new ideas and choices.

My mind is eased and opens as I live Your invitation to live life more fully.

Lord, You hear my prayer time after time...  
may my timing be NOW!

(Release a sigh...)

*Let this invitation to personal sharing move you toward the Divine. Contemplate the mystery!*

✧ You may wish to name with God how your expectations are changing....a new wisdom or grace you have as your life resurrects; or you may ask God to help you find your heart's courage in this timing making Easter moments possible; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.

✧ **A Moment With God For Each Of Us....**

Let there be some quiet. We will be "stilled" together for 5 minutes or so! You have time....go deeper....

*Please sing twice.*
